

Good afternoon interviewer , It is my honor to have this opportunity for an interview. I hope I can make a good performance today. And hope that through this simple introduction, you can remember my name, can remember my face and I believe that we will become friends in no distant future.

My name is Roger, R-O-G-E-R, Roger. I'm thirty years old, born in Anhui province. I graduated from Anhui Normal University. My major is Electrical And Information Engineering. And I got my bachelor degree after my graduation in the year of 2011. I spent most of time on study ,I have passed CET-6(College English Test Band 6) during my university. In 2012 , I began working as a java development engineer in Shanghai, until now.

In addition to the above-mentioned , in my spare time I like playing badminton ,listening pop music , and learning in 51cto . My favorite sport is Chinese chess , but it is a pity that nobody accompanies me to play.

ok , that's a little about myself. thank you.
